Postscript 152

Look, he's here! That first year boy
Oh, that's the guy? Who is the girl with him? Is she a second year ...?
Hey Jon! Where did you run off to?!?!
I think they're childhood friends.
Oh.
chapter 01

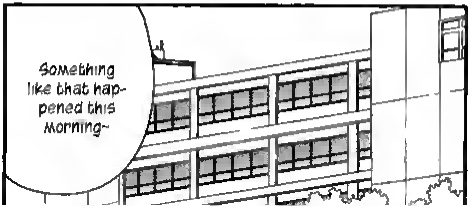
Since I have the chance, maybe I'll join the basketball club or something!
Don't do that. Your gorilla-like strength just might kill someone one day...
It's trouble-some for others
In my opinion, you should make the efforts to enjoy your life
Ah Takuya, You haven't decided yet? It's already been a month
Because you only live once
What? Wanna fight?
What did you just say, Kotarou?
Ah you two
Hey, Jun! Where did you go?!
Yeah... there aren't any clubs I want to join. What about you?
SFX: bam
Be-sides..
Shoot!

Ah...
In the future, something unexpected or surprising will happen.
If you don't enjoy it, you'll be missing out.
Okay!
Not good! Quick, hide!!
JUN!
WHY DO I HAVE TO HIDE TOO ?!?!
JUN?!
That's... Tamaki-senpai! This is the first time I'm seeing him up close!
It's such a nice day!
Wah it's true what they say he's really handsome
Eh? Kotarou, why are you so mean?
The "tiny" part is a lie, of course!
You're the one at fault!
JUN! WHAT DID YOU DO NOW?!
Meanie. I just played a tiny little prank, that's all~

Eh? Ah... Sure...
But... he's a little weird.
Right?!
On days like this, don't you just want to fly through the sky?
I DON'T WANT TO FAIL THIS TIME!
WHAT IF HE THINKS I'M SOME WEIRD BOY-CRAZY WOMAN?!
HUH?! YOU GUYS ALREADY BROKE UP?! IT'S ONLY BEEN THREE DAYS!!
LET HIM THINK THAT THEN! BESIDES, YOU ARE BOY-CRAZY!
Could you guys argue a little quieter...?
WHAT? YOU WANNA GO MISS THREE DAYS ?!?!
I'LL BEAT YOU SILLY!
I'D LIKE TO SEE YOU TRY!
THREE. YOU WANNA FIGHT ?!?!
Whisper
Hey, Kotarou ...
What?
Do you know this guy?
If so, how is he?
Introduce Me!
That kid sure is persistent.
You're so annoying Introduce yourself!

THEN DON'T RUN AWAY!!
Forgive Me. I'm reflecting on it!
RUNS AWAY~
ARE YOU HERE, JUN ?!

Ah... oh no, what should I do? He's exactly how I imagined. He's totally my type and he has a great smile
This morning has been a happy one for me...
HEY! YOU GUYS! ARE YOU HIS PARTNERS?!



Something like that happened this morning~

This isn't the same! He really is my Prince!
Fine, fine.
Listen to me! Hey!
walks away
You're crazy.
Didn't you say that once before too? You still haven't learned your lesson.
My meeting with Tamaki -senpai was just like fate. Our encounter this morning was only the prelude to our love story.
LET'S INVESTIGATE!
Oooh, I sense a wonderful encounter!
Ahaha!
Then what do you think about that one?
Umm?
TAMAKI -SENPAI IS THE BEST, AFTER ALL!
CRACK
I REALLY SHOULDN'T HAVE GOTTEN MY HOPES UP— DOING SUCH DESPICABLE THINGS, YOU'RE NOT A MAN AT ALL
Eeek!
CRACK
You're useless! Bring it tomorrow!
I'm sorry! I didn't bring any!
Hey! Hurry up and give me your money!
Um-
Eh?

That's what I'm talking about You get so crazy after looking at just their faces No wonder each time is a failure
I can't let such a great guy slip from my fingers!
I need to find Senpai now!
Alright "Strike the iron while it's hot"! I need to express myself more in front of Tamaki-senpai My goal? A new love!
See ya!
I won't stay hung up over the past!
You should listen and learn your lesson properly
Will I be able to see him soon? If I do, what should I say to him?
It's been a while since I met someone I got so excited over!
Is he at his club activities right now?
Or rather, did senpai even join any clubs?

YOU BASTARD! I'LL REMEMBER THIS!!
SFX. bang!
I will get my revenge one day!
Bringing down my mood.
Whatz What was thatz being so loud all of a sudden!
Haha haha
I look forward to it!
Awesome! I found him!
They obviously just met this morning too...
Kuhz Takuyaz
Why are they togetherz

Now it's your turn, Takuya.
GRAB
Have you realized it yet?
Eh...? Um... Yes
Realize... What...?
What does "your turn" mean?
WAHH!
WHAT HAPPENED EARLIER
DON'T TELL ME—?!?!

SFX: breaks off
WHY THAT CURLY—! HE ENGAGES IN BULLYING TOO?!
SFX: grab
AND HE DARES TO TOUCH MY ADORABLE KOUHAI"?!
SFX: crash
HOLD IT RIGHT THERE!!
..Can I help you...?
Raika?

SFX: Wham!
KYAAAAA!
GET YOUR HANDS OFF TAKUYA!
SFX: throws
U-UM...
Give it up, Curly.
Eh? Curly are you talking about me...?
CRUMBLE
What a shame. Even if you're good-looking, I just can't forgive being a bully.
CRACK
I'm going to beat you beyond recognition!
EH?!

That person... Tamaki-senpai was just asking me to join his club!
Eh? Club?
SFX: bam!
Besides, those people who ran away earlier...
But you were Force-Fully dragged here...?!
Ah, you've got it all wrong.
WHY AM I ALWAYS THE ONE RUNNING AROUND?!
HEY, JUN! I BOUGHT IT!
It's just a big misunderstanding!
Wait, Raika!
Wa-
!?

WAH?! WHY DID YOU HIT ME?!
OR RATHER... WHY ARE YOU EVEN HERE?!
So it was YOU, Kotarou ...
Who led me to misunderstand
Wahh!
Amateur Rocketeers?
We're trying to recruit some trustworthy personnel and we're carrying out our activities quietly in the meantime.
No matter what I wanted him to join, so I did a bit of profiling
CHUMMY & CLOSE
Good boy!
We're looking for people with the necessary technical skills, and we heard this guy is very good with design
Although it isn't an official club yet, this is the Amateur Rocketeers Club.

AHHH! I'M SO SORRY!
KEKEKE
I thought I was going to die.
Oh, but what happened just now gave me quite a fright!
Well I haven't properly introduced myself yet, have I?
I am the club president, Tamaki Jun.
As for the Vice President and other club members, I shall introduce them to you another day.
Ahh.. he's so cool.
I'm second year... Sukawa Raika.
But...
I suppose you're right.
Ah, no need. He doesn't need an introduction.
OH, RIGHT.
He is in charge of the legwork, along with the other chores and errands—
HEY!

He's still somewhat strange.
With this, all of the formal operations have begun. Should we not simply go and join the big contest?
Don't get too cocky.
I wonder why, but I just can't shake off this feeling I have
Since Takuya has joined us, we should test it to see if it works, you know to commemorate this special day
WHAT? TEST... YOU WANT TO TRY FLYING "THAT"?! N-NO!
THAT'S DANGEROUS!
It'll be fine, it's something I worked hard to make after all
But if we're going to do this, we should take a precaution and plan an escape route
THAT'S WHAT I THOUGHT!
I have a really bad feeling about this!!
PAT
This is a good day for it, there's no wind.

SFX: crackle
Wow!
Eh? What? Can that thing really fly?
Of course.
It looks impressive
SFX: boom!
!?
SFX: whoooosh
SFX: dodge / flies by

ARE YOU TRYING TO KILL US?!
SFX: ka-boom
AHHH!
SFX: smack
Woah!
shout
argue
If this continues, there may even be some casualties.
Design good luck to me
...Did I put in too much fuel?
Or did I get the axis wrong?
PAIN PAIN
SFX: clap clap
ALRIGHT, RETREAT! WE NEED TO GET RID OF THE EVIDENCE BEFORE WE'RE CAUGHT! GET READY TO TIDY UP!
YOU WON'T DO ANY-THING!
I'll fix the rocket-
IT WAS NEVER GONNA WORK!
I actually got my hopes up!
HEY, WAIT A SECOND!

Those two ran off
Yeah
Takuya, you come help
'Kay!
SIGH
I'm... so tired
Here, drink this
GUP
Ah, thank you
SFX realizes
WAIT A SEC!
SLURP~
Unknowingly, we're alone together now! Isn't this a good thing?! I need to seize this amazing opportunity!
I almost forgot my original goal!
Even if he's a weirdo, since he's this cool, I don't care!
Actually, it's cute!
Umm... Senpai, do you like rockets?

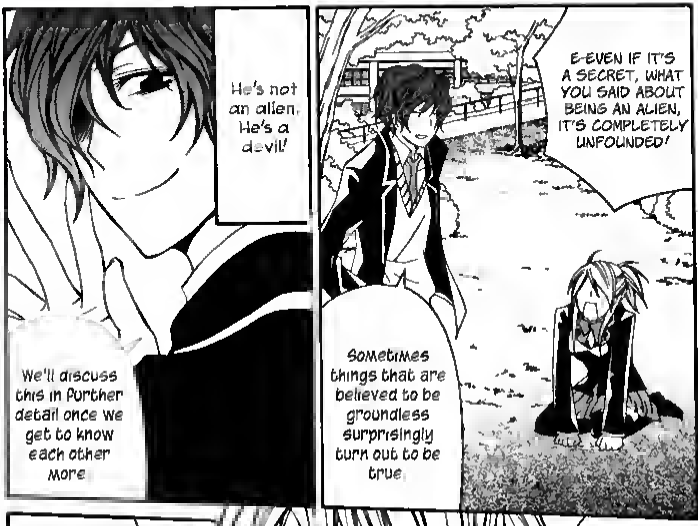
I'd like to go to space.
Really? That's an impressive dream!
Rather than liking them, I should say that I want to go to outer space.
Eh...? Your home planet?
Yes, it is really difficult and even more troubling. It's been a while since I've been able to communicate with my people, so I'm coming up with a plan myself.
Eh... really? That must be quite a difficult task—
Honestly, even if it's just once, I need to go back to my home planet.

You can't tell anyone, okay?
But I'm not from this planet.
Sorry, I still have some other things to do. I'll be leaving now.
WAIT.
Isn't it a little rude to ignore me like that?
Of course I'm ignoring you! Even though you're a bit of a psycho, I was ready to overlook that little detail because you looked so cool to me! But if you're just delusional and a ●● then I just can't accept it! I'm not that easy to trick, okay?!
No, I'm not delusional. It's true, really.
You're dePinitely delusional!

Speaking of which, when you thought I was a heartless bully, I was hurt too...
SNIFF
Ah, how hurtful
SNIFF
Hmm
But...
You think it's your fault? Well, I guess it is... it's no good, you see. If you don't fix that habit, you'll really hurt someone one day
Ah... that! That was my bad, and I will reflect on it!
SFX: rumble
Seeing how you displayed your physical strength and impressive arm power this morning, I believe you are a hard-to-come-by talent
Please consider being our labour girl!
SFX: clench
But!
SFX: takes out
If you join our club, I'M prepared to act like it never happened!
APPLICATION
Amateur Rackeeers
CLASS

What?! Don't you have any other reasons?! Like because I'm cute, because I'm a girl, or that you are interested in me, OR SOMETHING?!
And what do you mean by labour?!
No...
I don't really feel anything in particular.
If you have to lie, just do it!
Seriously, I can't believe it!
Besides...
This...
Now that you know my secret...
...did you think I'd let you get away, Raika?
This guy...

PAT
This guy is awful!
If you join our club, then we can see each other all the time. Accordingly to you, it's a good opportunity isn't it? It's decided, then.



He's not an alien. He's a devil!
We'll discuss this in further detail once we get to know each other more.
E-EVEN IF IT'S A SECRET, WHAT YOU SAID ABOUT BEING AN ALIEN, IT'S COMPLETELY UNFOUNDED!
Sometimes things that are believed to be groundless surprisingly turn out to be true.

HATEFUL
Eh? Are you still mad about that?
Umph... you don't even care about me...

But... there is one thing I can't Pathom.
I only meant I don't Peel anything now, but I don't know what will happen in the Puture.
Hahaha
YOU TRICKSTER !!!
This is the First time...
that I've revealed my true identity to someone I just met...
Why did I do that...? I have always been very carePul, so why did I tell you right away?
How strange.

Nobody ever knows what will happen in the future.
THEN, YOU...
LIKE...!
Haha, well I don't know about that...
SFX: squash
Amazing strength
Eh? Is that okay?
Forget you... goodbye! I'm going to find someone who isn't crazy.
Tsk!

This so-called martian boy—
What a shame.
YOU'RE SAYING THOSE THINGS AGAIN!
I won't fall for it again!
Ahaha!
You're not half bad.
He's handsome...
Oh!
I brought some tools!
Come and help us clean this up!

Raika joined the club too!
Showing off
Look, Kotarou! Look!
Yes, he's just handsome.
.....
Yes, you're right. Just like you said, I'm a giant idiot.
"You should listen and learn your lesson."
We don't need her!
HUH?! RAIKA?!
She's our new labour girl.
This isn't good... what's going to happen to my high school life now..?
Wow! Raika joined too?! Yay!

RAIKA
